record. Bill and Spud have gathered together a band of top mares for Domino's harem.

A sample of the quality of these mares is a AAA granddaughter of Three Bars and Leo who will foal to Domino in 1963. Since moving to the Tyson Ranch, Domino has also attracted some outstanding outside mares. For instance, in 1962, a daughter of Red Dog P-55 came down from Dale McDole's in Nebraska. From Kansas came four outstanding Thoroughbred mares from Keith Rider and Bill Dreiling. Also many outstanding registered Quarter and Appaloosa mares from Texas, Oklahoma, New Mexico, etc., were brought to the court of the old horse. With the able direction of Bill Tyson and Spud Hawkins, who go about the horse business with ability and foresight, the future indeed seems bright for Double Six Domino, his sons and daughters, their sons and daughters and on and on in an unending line.
